Akrit Ujjainiya

Aspiring Full Stack Web Developer

An enthusiastic and self-motivated Frontend Developer with solid proficiency in HTML, CSS, JavaScript, and React.js. Discovered a passion for technology during my B.Com journey, which led me to pursue MERN Stack Development at Ducat Institute. Successfully built multiple personal and academic projects including an eCommerce app and real-time chat app, demonstrating problem-solving skills and a commitment to continuous learning. Eager to contribute technical expertise to a dynamic and growth-oriented organization.

PROJECTS

Real-Time Chat Application (04/2025 - 05/2025)
- Created a real-time group chat application with multi-user support and instant message delivery.
- Utilized **Socket.io** for WebSocket communication and **Node.js**, **Express.js** for backend server handling.
- Handled user join/leave events and message broadcasts effectively.
- Focused on real-time data transfer and backend event-driven logic.

eCommerce Web App (03/2025 - 04/2025)
- Developed a complete eCommerce platform featuring product listings, cart functionality, coupon codes, and dynamic price updates.
- Implemented quantity control, cart persistence using **localStorage**, and real-time price calculation.
- Used **React.js**, **Redux**, **Redux-Saga**, **Bootstrap**, and **JSON Server** for scalable frontend and backend simulation.
- Demonstrated state management, async flow, and component-based architecture.

Portfolio Website (02/2025 - 03/2025)
- Build a responsive personal portfolio to showcase development skills and experience.
- Utilized **React.js, Tailwind CSS** and **Framer Motion** for modern UI and animations.
- Hosted live version on Netlify and interactive project links and contact form integration.

News App (01/2025 - 02/2025)
- Built a responsive news web app that fetches live news articles via API.
- Used **React.js** for component-based UI and **JavaScript (ES6)** for async API calls.
- Displayed headlines, categories, and live content updates.
- Demonstrated ability to work with REST APIs and conditional rendering.

EDUCATION

Bachelor of Commerce
Himalayan University, Itanagar

2020 - 2023

Intermediate
CBSE, Delhi

2019 – 2020

High School
CBSE, Delhi

2017 – 2018

SKILLS

`Computer Programming` `Time Management` `Teamwork` `Problem Solving and Logical Thinking` `Teamwork` `Flexibility` `Analytical Skills` `Leadership`

TECHNICAL SKILLS

Programming Languages
JavaScript, TypeScript

Web Technologies
HTML, CSS, Bootstrap, React.js, Redux, Redux-Saga

Backend Technologies
Node.js, Express.js

Database
MongoDB, JSON Server

Tools & Frameworks
Git, Github, VS Code, localStorage

CERTIFICATES

Mern Stack Development, Data Structures and Algorithm (DUCAT, Noida)
